(Excluding February half-term 12th-16th February)

****Open to Year Groups R, 1&2****

- Fun A-Z yoga poses, breathing, mindful games/colouring in a slow paced, non-competitive class to nurture every child's superpowers by using 7 rainbow bears.
- Help calm those busy minds, feel more confident, improve focus, be more relaxed after school.
- A place for every child to move muscles, change a feeling and find creative ways to pause and breathe.
- Enhance physical strength, co-ordination, and flexibility.
- Compliment other activities/sports and clubs.
- All classes taught by Jackie who is an experienced and trained yoga teacher specializing in children's yoga helping guide each child on their own yoga journey. They learn all about F.L.Y (first love yourself) and know whatever their goals are in life they can be achieved if they truly believe in themselves.
