

Dear Parents and Carers,

26th February 2024

Extracurricular Clubs Summer 2024

Our club provision for the Summer 2024 term is attached. Please read the following information carefully.

The first and last date for each club is annotated accordingly: some clubs start during the first week of term, others the second so please be mindful of this.

Bookings for external clubs are made directly with the provider. See individual flyers for details.

Bookings for Evendons internal clubs will be open on Scopay from **7pm on Monday 4th March**. Due to system constraints, each club is set to live manually, one at a time. Therefore, they will not all be live at exactly 7pm. This is unfortunately beyond our control so please continue to refresh Scopay to check when your preferred club becomes available to book. Internal and external clubs are paid in advance, allocated on a first come, first served basis and cover the full term dates as specified. **Please ensure that you only book your child's preferred club as we are unable to swap clubs retrospectively due to limited spaces.**

Payments and Bookings are non-refundable and places are not secured until full payment is received. Costs are not subject to reduction should a child join after the club has started or if absent from school. Should a child choose not to attend any scheduled sessions, we are unable to offer refunds or reductions.

1. Childcare Vouchers / Tax Free Childcare Payments:

Parents who are registered with us to pay via Childcare Vouchers or Tax Free Childcare may reserve their child's place with a non-refundable deposit of £1 via Scopay. The remaining balance must be paid before **Friday 22nd March**. If we have not received your remittance advice or screenshot confirming payment by this date, your child's place will be withdrawn and offered to another child on the waiting list. If you would like to register as a Childcare / Tax Free Childcare Voucher user, please contact childcarevouchers@evendons-primary.co.uk as soon as possible (to avoid delays, please do not send to the office email address).

Please be advised that CCV and TFC payments are allocated manually and may take a little longer to process. Thank you for your patience.

2. Card Payments:

Parents who are not registered to pay via Childcare Vouchers or Tax Free Childcare are required to pay the full cost of the club by card at the time of booking.

Please remind your children that their participation in clubs is dependent on their continued excellent behaviour. Any poor behaviour will result in children being removed from clubs and may not be considered for clubs in the future.

Kind regards,

Tracey Sansom

Clubs Administrator

SPRING TERM 2024 CLUB SCHEDULE
